

# Training agenda

Systemic coaching programs and workshops offered in BUCHAREST & online for individual and team coaches and managers.

# BECOME AN EMPOWERING LEADER & COACHING FUNDAMENTALS

Eight day (plus one day supervision) intensive training on systemic coaching to acquire the essential skills and strategies to become a masterful systemic coach and leader. This program is designed both for established coaches and entrepreneurs who want to revisit their fundamentals and acquire powerful systemic tools and skills to boost their leadership and coaching practice, and for beginning coaches who want to establish a solid foundation for their profession.

The Metasysteme "Systemic Coaching Fundamentals" program is part of an ICF-vaidated LEVEL II program.
